

Version, or alternative?

Getting this wrong is why your bins are a mess.

VERSIONUP

Pr

v02

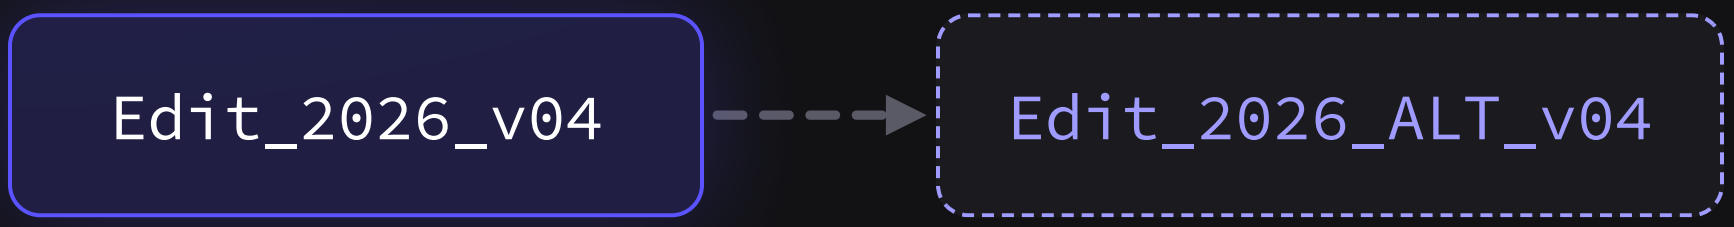

A version replaces the one before it.

The old one is history. You keep it, but you're not going back.

VERSIONUP

Pr

v03

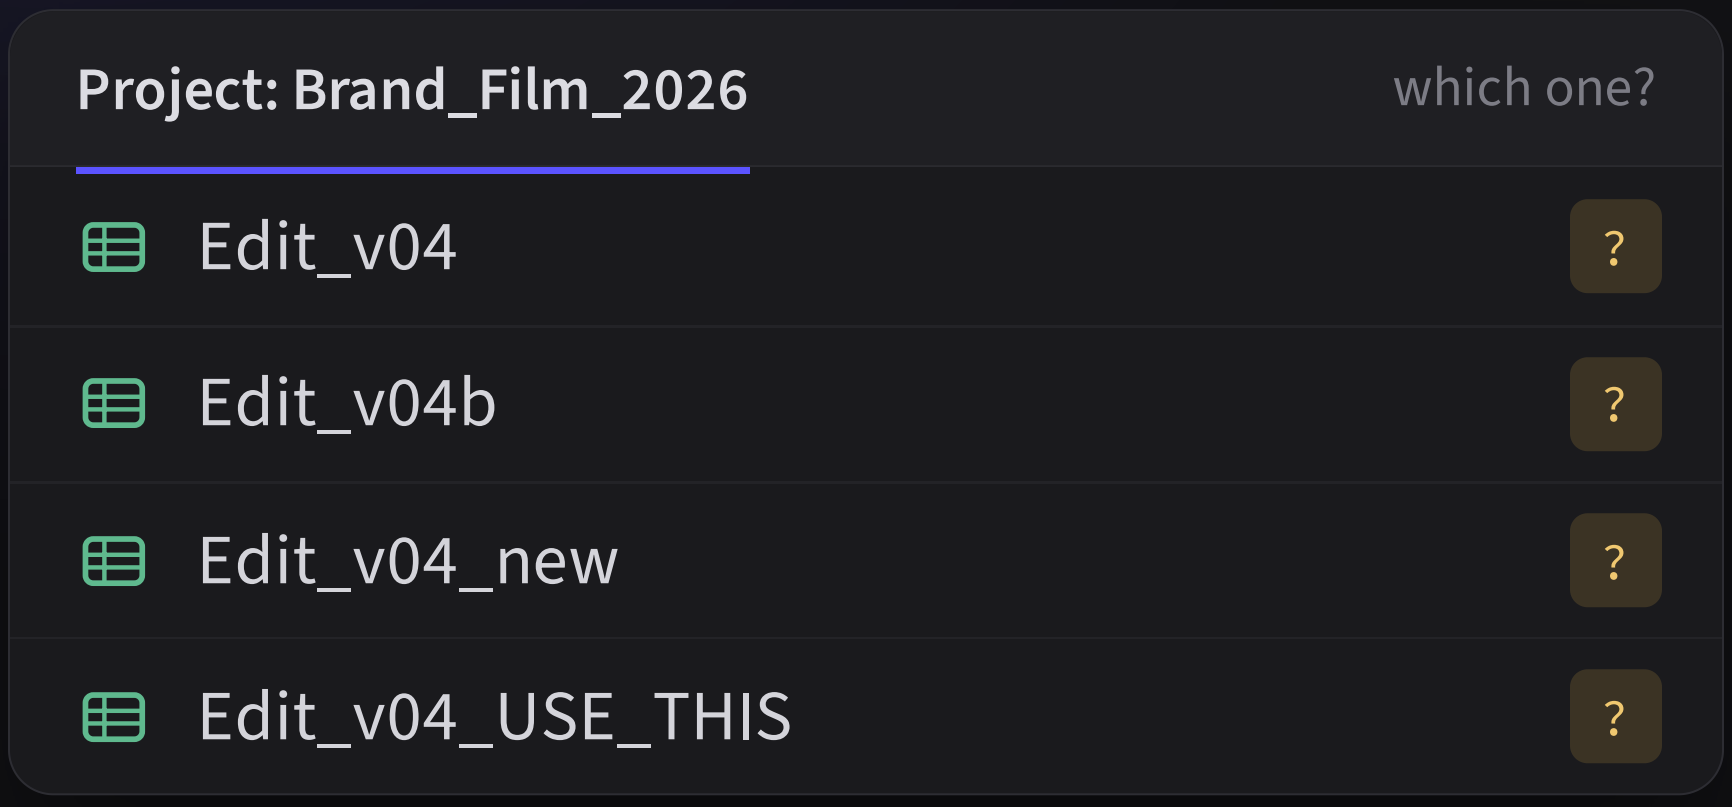

An alternative sits beside it.

Both are live. You genuinely might choose either one.

VERSIONUP

Pr

v 0 4

Most of us only have one word for both.

So they all end up as v04, and nobody knows which is which.

VERSIONUP

Pr

v05

Versions go up.

A straight line. Newest wins.

VERSIONUP

Pr

v06

Alternatives go sideways.

Same point in time. Two roads.

VERSIONUP

Pr

v07

New round of amends, the major number moves.

Nobody has to ask what happened.
